KII CONSULTING, INC. AND STEARNS FINANCIAL GROUP ANNOUNCE STRATEGIC PARTNERSHIP

KII Consulting, Inc. and Stearns Financial Group announce a partnership that combines subject matter expertise that will provide the tools and resources for organizations to thrive in today's environment.

KII Consulting, Inc. (KII), founded in 2013, works closely with clients as a strategic partner and trusted advisor in customizing solutions and strategies that increase loyalty, enhance value, increase financial wellness and generate revenue.

The KII Consulting team are industry experts in the cyber and financial wellness space with over 20 years of experience. KII has customized solutions and strategies for hundreds of organizations, supporting millions of people.

“We look forward to our partnership with Stearns Financial Group. Our similar core values, a shared desire to truly help people and years of expertise, will be extremely beneficial to the success of our partnership.”

With their team of seasoned professionals, Stearns Financial leverages their expertise to improve yield, supplement retirement income of key employees, and maximize retention and succession strategy with mission-driven and fiscally-aligned benefit plans. With over 25 years specializing in retention and retirement plans for credit unions, Stearns Financial has the expertise to design, implement, and administer every type of executive benefit program.

KII Consulting, Inc. (K2) is a consulting firm headquartered in Washington, DC and supports organizations in the United States and Canada. KII Consulting works closely with clients as a strategic partner and trusted advisor with initiatives focusing on three areas: Consulting Services, Private Wealth Client Protection and Speaking & Training.
